POLEMARCH'S GREETINGS

Brother Arthur Claiborne

Greetings Brothers of Alpha Nu,

We have returned back to campus on a high note and many things have been achieved within the past month. I would like to commend each of you for your hard work and commitment to excellence. We must carry forward this same energy for the entire year academically, professionally, and fraternally. Let's continue our push to 'Run the Yard' and make sure each day we do something to impact someone else in a positive manner. This year we will strive and achieve to be the most influential and successful chapter on campus and in Kappa. Remember, we must BE STRONG in order to ALWAYS FINISH!!! The state of the chapter depends on YOU. Play your role, hold your brothers accountable, and continue to achieve in every field of human endeavor.

Yours in the Bond,

Brother Arthur Claiborne (Spring '19)

Brothers of the Alpha Nu Chapter Serve on the JGC

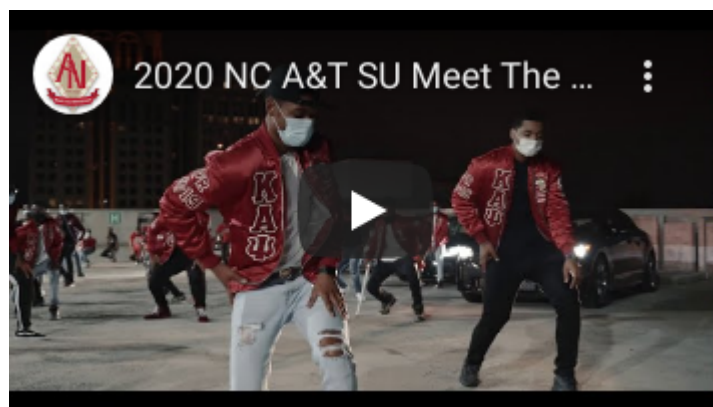

As a result of the chapter's new probationary status, brothers of the Alpha Nu chapter are now allowed to serve on the NC A&T Joint Greek Council. Brothers Justin Rose and Eddie Dickerson jumped at the opportunity to give the chapter a voice within Greek Life and what's the pulse of campus, both securing positions on the council.

Brother Rose secured the position of Marketing and Media Manager, working perfectly with his marketing background. His duties consist of overseeing all social media accounts, engaging with followers of those accounts, and helping to promote the values of the Joint Greek Life Council.

Brother Dickerson secured the position of Programming and Events Chairman. He is in charge of making the arrangements associated with interactive activities and experiences for students to participate in for NC A&T's Joint Greek Life Council.

Alpha Nu is Recognized for Outstanding Video

The brothers of the Alpha Nu chapter have "just set the standard for 2020 highlight videos," according to popular Greek news webpage 'Watch the Yard.' The chapter gained this recognition due to their exceptional chapter highlights which were first presented during NC A&T's 'Meet the Greeks' webinar. The video consisted of historical chapter information, general fraternity knowledge, chapter strolls, and much more. According to 'Watch the Yard,' the chapter has "set the standard by creating one of the best digital chapter introductions we at 'Watch the Yard' have ever seen."

Where Are They Now?

Spotlight: Brother Tyler Jones, Spr '18

"I began my career in education with Teach For America after graduating from NC A&T SU. I moved to Charlotte, NC with the intentions of starting to teach in Charlotte Mecklenburg Schools. Things did not work as planned and I was fortunate to begin teaching in September of 2018 at KIPP Academy Charlotte as the 6th Grade Science Teacher. After a challenging yet rewarding first year, I accepted an offer to serve as the 6th Grade, Grade Level Chair. While teaching I also worked directly with administration at the school on various academic and behavioral tasks. Outside of work things have been busy as well. In the month of April, 2020: I turned 24, my daughter Harper was born, and I closed on my first home. Just a couple months later in July, I proposed to my beautiful fiancé Taylor. All and all, things are well. Another school year has started, I have a new home and a great family to call my own."

Alpha Nu Implements Full Body Study Hall

In an effort to raise the chapter's overall grade point average, it is now mandatory that all active brothers attend the chapter study halls on the first and third Tuesday and Thursday of every month. Brothers can do their homework, study, fellowship, and assist each other with any academic struggles while managing to keep a safe social distance. For any study hall inquiries please contact brother Olufemi Olatidoye at oolatidoye@aggies.ncat.edu
