"Achievement in Every Field of Human Endeavor"

June 4, 2020

The Alpha Nu Chapter of Kappa Alpha Psi Fraternity, Incorporated stands with the Black community and the charge to commit in the struggle for freedom and justice.

As an organization founded in the face of white supremacy and racism, it is our duty to advocate for the liberation of the BLACK community. The corruption of the justice system, the senseless violence inflicted upon us, and the overt disparities that we have endured and suffered from for far too long. We will continue to organize, support, endorse and fight for the equality and freedom for ALL Black lives.

We will continue to stand in solidarity with the families of Marcus Smith, Tony McDade, Ahmaud Arbery, Trayvon Martin, Sandra Bland, Breonna Taylor, George Floyd and the innumerable amount of Black lives that have been impacted by police brutality.

The Alpha Nu Chapter of Kappa Alpha Psi Fraternity, Incorporated stands to support the Black community.

We will continue to struggle for freedom. We will win.
