September Birthdays

Greetings Brothers of Alpha Nu,

We have been on campus for four weeks and have started to settle in with our priorities for the semester.

While our work as a chapter has already begun, it is important to remember the objectives and why we joined this prestigious fraternity in the first place. As we move forward in the semester let's stay focused on quality friendships, serving others, and most importantly achieving in the classroom. The journey may not always be easy but we will continue the Alpha Nu legacy placed before us. In everything we do this semester let us strive to be known as game changers on this illustrious campus. I believe in you, I believe in us. It is OUR time to run OUR race. Our chapter will thrive because of each of you and for that I am grateful.

Yours in the Bond,

Brother Brent White III (Spring '22) Alpha Nu Polemarch
